

**This Thanksgiving,
enjoy an American dessert wine
with your American feast.**

Quady 2007 Essensia California Orange Muscat

90 points

International Wine Review, September 2009

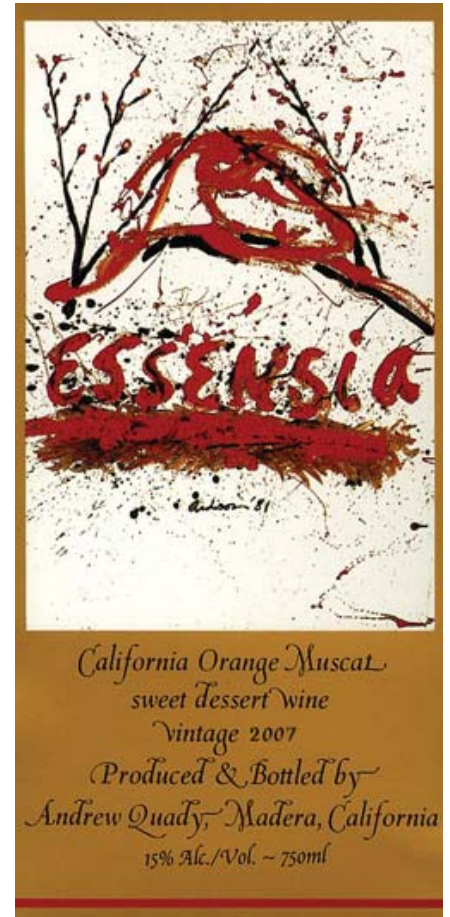

*"Made from Orange Muscat, a rare grape seldom grown in the U.S., the Essensia is an absolutely lovely and refreshing dessert wine. Its golden orange appearance is strikingly attractive, and it has apricot, pear, lychee and orange zest aromas and flavors that would go wonderfully with a **Thanksgiving pumpkin pie**. Serve well chilled."*
